Mutant Rampage- DV cartridge required

It is 2068 A.D.- it has been decades since humans could walk the streets of the world's cities. First there were the wars, and after that the mutants took over. Cybernetic technology in the wrong hands has left once-great cities controlled by thugs and bullies. For their amusement, they created BODY SLAM, a no-holds-barred, head-to-head tournament played out on the streets of their respective cities and watched by billions over the Cybernet's global fiber-optic communication network. Until now, there have been no human challengers to threaten their sinister supremacy... until YOU, that is, as leader of the "Naturals" the baddest human team to hit the scene yet. These three extraordinary humans- powerful Deemon Stone, agile Tory Swift and crushing Rack Saxon- are ready to fight their way through the ten mutant teams. It won't be easy to work through the four tiers of difficulty in the Cybernet circuit. You will have to use each of your team members' different strengths and moves- and every ounce of speed, skill and power you've got- to triumph in what has become a Mutant Rampage... Body Slam! Cat.
